

# Jen the Music Maven's

## Web Presence Packages

### Website:

\$575 & up

Engage your audience!

- **Help your customers find you online and build your business with a custom website from Jen the Music Maven!**
- Your custom-designed website will include up to six pages (e.g. home, events, location, ticket-buying info, specials, contact) tailored to your brand identity! Your website will come pre-loaded with industry-standard analytics and social media integration!
- Also included is a 1-hour consultation with Jen on how to make use of your new web presence.
- Additional pages start at \$25/page.
- *Cost does not include hosting package, domain registration, or logo design.*

### Add-ons:

Price varies

Go Mobile: \$75

- Optimize your website for viewing on mobile devices like iPhones, Blackberries, and Android phones with a mobile-friendly mirror.

Additional Pages: \$75

- **Have more to say?** Add additional content pages to your website starting at \$25/each.

Logo Design: \$325+

- Need a logo to distinguish your business? Look no further! Get personal attention and advice from the Maven on selecting a brand identity and on creating a custom logo design with one of her talented designers. Revisions may be charged at an additional hourly rate.
- Includes high-resolution and vector files ideal for printing!

Electronic Newsletter Setup: \$75

- Keep in touch with your customers in style with a customized FanBridge or MailChimp newsletter. Receive consultation on the email newsletter service that is best for you, how to use your new mailing system, and customized, branded template for your newsletters!
